

UNIVERSITY  
OF WEST BOHEMIA

University of West Bohemia (Pilsen, Czech Republic), Tianjin University of Science and Technology (Tianjin, China), South China University of Technology (Guangzhou, China)

invite you to

**Conference Human Biomechanics 2019**

&

**2<sup>nd</sup> International Symposium on Future Mobility**

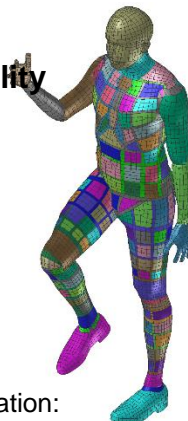

**Safety Science and Technology**

Pilsen (Czech Republic, Europe)

in 17 – 18 October 2019

### Scope

- ❖ Advanced topic of automotive integrated safety
- ❖ Highly automated vehicles safety
- ❖ Virtual human body modelling approaches
- ❖ Impact biomechanics and injury risk prediction
- ❖ Safety system development and optimization
